Womack in the Race

Mr. Haskell Womack has announced for Trustee, subject to the action of the Democratic party. Mr. Womack is a well known traveling salesman, and is also widely known over the county, having made the race for the nomination four years ago and being barely beaten. He is a clever gentleman, fully competent to fill the position to which he aspires, and would make a most efficient public official should he be honored with the place. Mr. Womack has his Democracy on straight, and always abides by the decision of the majority.

Dixie Wins

"Dixie Wins" has become the saying in these diggings. Last Saturday the sturdy Dixie baseball team closed the season by taking two games from Montgomery Bell Academy of Nashville in an easy manner.

The morning game went nine innings with the score 7 to 2. The visitor's score were made in the last inning after two men were out and two strikes on the batter. Jones and Russell were the Dixie battery.

The afternoon game was only five innings to allow the visitors to catch a train, the score being 13 to 3. The Dixie boys worked off their big dinner in the first inning, when all of M. B. A.'s scores were made and served nothing but goose eggs thereafter. Carlen and Russell were the home battery and they got the Nashville goat alright.

Dixie has played eleven games this season, winning nine of them, a remarkably good record. They have played some of the strongest prep school teams in the state, and are the champion team of Tennessee in their school class.

Saturday night a largely attended meeting in honor of the boys was held at the Auditorium, when an informal program was carried out, speeches being made and music rendered. The occasion was very pleasant.

Three cheers for the Dixie baseball team; three for the Dixie girls; three for the faculty, and three times three for Dixie itself. Dixie wins.

Public School Closing

The city school closed Monday night with appropriate exercises. A class of eighteen were graduated, eleven girls and seven boys, as follows: Clara Cox, Naomi Ensor, Emily Sue Dow, Nottie Proffitt, Kate Allen Van Hooser, Kate Davis, Ina Davis, Mary Kinnaird, Zella Borden, Fern Bryant, Ida and Lansden, Howell E. Smith, Roscoe Proffitt, Wilard Wirt, Bryan Cowden, DeWitt Morgan, Henry Finley and Clifford McDaniel.

Miss Emily Sue Dow was salutatorian and Miss Clara Cox valedictorian for the class, and Bryan Cowden wrote the class prophecy and poem. All did exceedingly well.

Miss Zella Borden won the prize of \$10 in gold offered by Dr. Olen West of Nashville, and Roscoe Proffitt a like prize offered by Dr. W. S. Farmer of Cookeville, for the best essays on "Personal and Schoolroom Hygiene."

Miss Maud Morgan won the prize of \$5 in gold offered for the best kept teeth.

The exercises were witnessed by a large audience, which was highly pleased with the affair.

The Herald is Popular

The Herald circulation is one of which the publishers are proud. We believe it to be two times that of all the other papers in the Tenth senatorial district combined and challenge the other publishers to deny it. Those wishing to reach the public in this section may do so through the Herald.

It takes 3,226 papers by actual count to make up the mail list this week. Of this number 274 go to the city post office, and 741 to the Cookeville routes, 1,015 in all. The rest of Putnam county takes 753, making 1,768 in the county. About 500 more go to people within 20 miles of Cookeville. About 900 go out of the state—more than any of the other papers referred to above print.

Counting five readers to each paper, the usual rule, more than 16,000 people read the Herald every week. Our claim that the Herald reaches the people is no idle boast—it is a living fact.

S. W. Brown for Register

As will be seen, Stephen W. Brown announces for Register, subject to the will of the Democratic party. Mr. Brown was the second Register elected in Putnam county, having been thus honored in 1858. When the tocsin of war sounded in 1861 he shouldered a musket and enlisted as a private in the Confederate army. He made a good record as a soldier, serving faithfully until captured and sent north as a prisoner in the winter of 1863-4.

Mr. Brown feels that he can successfully fill the office of Register. He needs the salary and will sincerely thank any Democrat for his support. Mr. Brown is a Democrat who never deserts the standard of his party, a worthy, high minded gentleman.

Confederate Reunion

At a meeting of Pat Cleburne Bivouac U. C. V. held at the Hotel Richelieu last Saturday it was decided that the members should attend the reunion at Chattanooga next week in a body, leaving Cookeville next Monday on the noon train. The rate for the round trip is only \$3.30. See railroad adv. This will probably be the last reunion ever held so near by and all should go who can spare the time.
